

RHODE ISLAND AIR NATIONAL GUARD
HEADQUARTERS 143 AIRLIFT WING (AMC) (ANG)
QUONSET POINT, RI
HOME OF THE RHODE WARRIORS

8-Oct-2014

TEAM,

Thank you. The 2014 Capstone event of our Commander's Inspection Program is complete. Like every other challenge taken on by the Rhode Warriors, our Team returned stunning results. One of our most important objectives is to make 143d Airlift Wing better every day. The results of this past week validate our continuous process improvement. Our Rhode Warrior spirit was clearly evident. In support of Air Mobility Command, we effectively execute the mission, improve the unit, lead people, and manage resources with a high level of energy and intensity. This has been our hallmark for many years. With this mission complete, it's time for some rest and relaxation so please, continue to make safety and risk management a part of all activities. Our TEAM needs you.

This fall weekend is the perfect time to get some rest, enjoy family and friends but think SAFETY, ALWAYS. Never let your "Guard" down.

With the start of this holiday weekend, please take a moment to remember all of our colleagues across the globe on duty taking care of our nation's business.

Remember, our Wingman program is always active so should anyone need help of any kind, call a TEAMMATE, a supervisor, a first sergeant, a commander, or me. We guarantee a Wingman response within minutes - no questions asked. Just make the call.

Thank you for keeping our Rhode Island Air Guard brand at the top of the class.

As always, just lucky, honored, and most proud to be on the Team,

Colonel Art Floru
